GEO HORIZONTAL, THE STONE COMFORT ZONE

Geo is a warm rock, completely out of granulated natural stone. It radiates smooth warmth in a particularly agreeable way. The Geo is available in a range of three stone colours, which combine perfectly with all natural materials. Available in a high gloss polished or matt version. The combination of the classic design with mineral material makes this heating element unique.

OUTPUT

	code	height	length	color	conn.
ORDER CODE:	GEHW.	060	100	XXX	/18

mean T °F (°C)	H	L 39.5"	47"	55"	63"	71"
		(100)	(120)	(140)	(160)	(180)
